

Enhance Your Production with a Manufacturing Partner, Not Another Supplier.

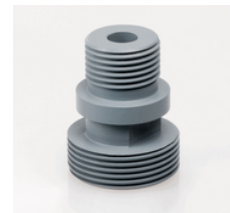

## Capabilities:

- CNC Milling & Lathe
- Swiss CNC
- Vacuum Forming
- Assembly & Fabrication
- Vapor Polishing
- Plastic Annealing

## Materials for Plastic Machining:

- Acetal
- Acrylic
- Acrylonitrile Butadiene Styrene (ABS)
- Garolite G-10 FR-4
- High-Density Polyethylene (HDPE)
- Low-Density Polyethylene (LDPE)
- Nylon 6/6
- Polycarbonate
- Polyetheretherketone (PEEK)
- Ultra-High Molecular Weight Polyethylene (UHMW)

## Certifications:

ISO 9001 Certified

ISO 13485 Certified
